

Heinlein List

Task	Accomplished	Time to Complete (hrs)	Description of task	Definition of Done
Change A Diaper		10	Being that I am a mother and was a nanny. I think I have this one covered...but in order to make it interesting, I need to know how to do this well enough to teach my 11 year old daughter to do this well...	Teaching a tween to diaper a baby. Age appropriate training documentation needs to be included.
Plan An Invasion		40	This will involve research. I'll interview those knowledgable in battle practices.	There must be a p2p came that could test my strategy.
Butcher A Hog		80	Research the different processes. Choose one and find a farm or butcher to shadow.	We will have more meat in the freezer.
Conn A Ship		100		
Design A Building		40	Design a realistic dream house.	
Write A Sonnet		10		
Balance Accounts		20	Study accounting	Balance multiple accounts
Build A Wall		10	Work with a group to build a wall	The wall stands and can be leaned on.
Set A Bone		5	Talk to veterinary clinics, chiropractors, EMT?	
Comfort The Dying		40	Vollunter at a hospice facility	
Take Orders		40	Participate in either a "Basic" Training program or "Scared Straight" Program.	Orders are followed.
Give Orders		40		Orders are followed.
Cooperate		40	work with a group to create a team project	project is successful
Act Alone		40	Create a project	project is successful
Solve Equations		20	Ask readers for suggestions	
Analyze A New Problem		20	Ask readers for suggestions	
Pitch Manure		10	Volunteer at Fence or Equestrian Center? Or contact one of community	Clean stalls for a day.
Program A Computer		40	Pick language. Find laptop and program...check code.org as well. Maybe create an app?	Have a working computer.
Cook A Tasty Meal		10		Publish recipe
Fight Efficiently		150	Take classes at local Karate studio	What level of belt is sufficient?
Die Gallantly				This will hopefully be in theory
